1 Adoption of minutes

Minutes for March 2006 meeting. Prop: AB, 2nd DN, adopted unanimously.

2 Review of actions

- BIKEast has responded to Woollahra Council request for audit of bicycle parking facilities. (Action taken by AB and JO).
- Waverley Council has nominated a date (June 25th) and appointed a team to coordinate a Special Bicycle Event.

3 Correspondence

- RM sent letter of complaint to Centennial Parklands regarding one-way treatment along Carrington Rd.
- Several letters/emails were received acknowledging receipt of Moore Park Road Safety Audit.
- AB sent an email alerting all local councils to the Metropolitan Greenspace Program and potential projects/grants for shared ped/bike facilities

4 Items discussed

Item ¹	Topic – Issue	Action
1.0	BNSW	
1.1	Proposal to seek BNSW & other BUGS' interest to push RTA to set aside special funds (e.g. 5 year plan) to major intersection treatment	
2.0	Woollahra Council	
2.1	Council has not committed to off-road bike lane adjacent to Rose Bay Promenade.	MW to write letter to Davis Shoebridge about funding solutions
2.2	AB reported back on Traffic Committee. Council has endorsed traffic calming proposals, including 6km of new on-road bike lane markings	nfa
3.0	Randwick Council	
3.1	Proposed upgrade of Heffron Park. AB noted that current plans do not link up with connecting bike routes, nor is there any provision for through-traffic when bicycle criterions are being held on the cycle track.	BIKEast members encouraged to make submissions via RCC website
3.2	Review of Bike Plan Jamieson Foley and Sustainable Transport Consultants have been selected to conduct a review of RCC Bike Plan. Potential conflict of interest DVD and WS.	DVD & WS to abstain from voting motions regarding RCC until further notice
3.3	Coastal Cycleway to be made priority project wrt to Bike Plan review	

¹ Refer to Meeting Agenda for description of each item. Some additional items may have been raised.

4.0	Waverley Council	
4.1	BIKEast reps to meet council staff to recommend options for special event – including road closures in Bondi/Bronte area	MW & WS to meet Alison
4.2	BIKEast to request Council adds bike logos along Waverley Street (or make footpath shared?) in accordance with Bike Plan	MW to contact relevant staff (Graham McBaron)
4.3	AB has made Council aware of Metropolitan Greenspace Program and potential projects/grants	nfa
4.4	Traffic Committee has approved the new concept design for Martins Ave. Council will require further support to ease concerns about one-way contra-flow bike lanes. BIKEast recognise need to garner local support for completion of this bike route and increase awareness generally.	WS to send examples of similar treatments to Council. MW to produce promotional map of route for local distribution
4.5	Council has issued a brochure on 'parking matters' that includes a very poor map of bus/bike routes	MW to send letter to Council asking about progress on publication of better map of bike routes
4.6	No logos on Marine Parade, Tamarama	WS/MW to follow up
5.0	City of Sydney	
5.1	Call for submissions to Refern-Waterloo Authority Draft Built Environment Plan	nfa
5.2	Council adopting car share scheme. There has been resistance to the idea among Council Staff.	Motion: BIKEast to send letter of support to CoS/Clover Moore Motion carried unanimously MW to draft letter
6.0	Centennial Parklands	
6.1	One-way treatment of Carrington Road (CP north) was noted	
	BIKEast to write to Centennial Parklands regarding: - problem for cyclists of new 1-way street - traffic management in park for commuters - speed hump that is dangerous	MW to draft letter
7.0	Other issues	
7.1	Need to add note on website that BIKEast meetings are held every 2nd Tuesday of the month	MW
8.0	Rides program	
	Bondi Junction – LaPerouse on Sunday 7 th May	AB
	Bound for Botany Bay – 29 th April	AB + MW + WS

5 General business

Financial Report: Current balance \$1,311.45

Next meeting be held Tuesday 9th May

Something to think about: “**10 point wish list**” for next State Election
