Construct a shared off-road path alongside Forbes Street, Bungonia Road and Braidwood Road, towards central Goulburn	Goulburn Mulwaree Council
Construct an extension to the kerb and gutter and median strip at the school crossing on Bourke St, Goulburn, adjacent to the main entrance to Goulburn Public School	Goulburn Mulwaree Council
Development of The Hanwood Cycleway along the eastern side of Kidman Way from Hanwood Road on the north of Stafford Road to Murphy Road, south of Hanwood	Griffith City Council
Construct a 2.5m x 1.1km concrete shared path along South Street, adjacent to Oxley Highway.	Gunnedah Shire Council
Construction of multiple kerb ramps in South Windsor and Windsor	Hawkesbury City Council
Install new and improved kerb ramps on Lennox Street, Richmond	Hawkesbury City Council
Install new and improved kerb ramps on March Street, Richmond	Hawkesbury City Council
Construction of a shared user path at Strangers Creek, Kellyville	Hills Shire Council
Construct a signalised pedestrian crossing at Glenhaven Public School	Hills Shire Council
Construct pedestrian refuge islands on Windsor Road, Kellyville between Showground Road and Fairway Drive	Hills Shire Council
Construct two shared pedestrian/cycleway bridges over Small Creek, Kellyville between Maeve Avenue and Hayes Avenue	Hills Shire Council
Upgrade an existing crossing to a raised pedestrian crossing in David Road, Castle Hill	Hornsby Shire Council
Construct a boardwalk shared path linking Brooklyn shared path with Kangaroo Point	Hornsby Shire Council
Construction of pedestrian refuges at roundabout of Galston Road and Mid Dural Road	Hornsby Shire Council
Continue design and development works for the Lilyfield Road Cycleway	Inner West Council
Continue design and development works for the Dulwich Hill to Leichhardt Greenway	Inner West Council
Construction of a shared path along Arthur Street, Inverell	Inverell Shire Council
Construction of a shared path 2.5 metres wide and 1.141 kms in length along the river side of Eden St in Kempsey.	Kempsey Shire Council
Construction of an off road shared pathway along the side of Riverside Drive from the existing Minnamurra River Bridge underpass in the north to the river jetty, start of Minnamurra River boardwalk to the south in Minnamurra	Kiama Municipal Council
Construct missing kerb ramp links at the intersection of Highfield Road and Pacific Highway, Lindfield	Ku-ring-gai Council
Construction of a two-way cycling facility along the eastern side of Lindfield Avenue at Lindfield, from Havilah Road to Russell Avenue	Ku-ring-gai Council
Installation of a raised pedestrian crossing on Maxwell Street, Turramurra to replace the existing facility	Ku-ring-gai Council
Replace two existing pedestrian crossings with a raised pedestrian crossing on Warwilla Avenue, Wahroonga, west of Neringah Avenue South	Ku-ring-gai Council
Upgrade kerb ramps used for crossing near St Lucy's School and Knox Preparatory School on the corner of Billyard Avenue and Cleveland Street, Wahroonga, and realignment of kerb ramps at the corner of Billyard Avenue and Sutherland Avenue	Ku-ring-gai Council

Transport for NSW
2019/20 Walking and Cycling Program
Projects approved for funding

Project Description	LGA
Upgrade the current kerb extensions in Wallalong Crescent at Jugiong Street to a pedestrian refuge to assist pedestrians to safely cross the road in two stages and install pram ramps on Jugiong Street at the intersection of Tristiana Place	Ku-ring-gai Council
Upgrade the existing pedestrian crossing and pedestrian refuge island with a raised pedestrian crossing on Kendall Street, West Pymble	Ku-ring-gai Council
Construction of a shared pathway along Lake Road from Speers Point to Glendale	Lake Macquarie City Council
Construction of a shared user path on the northern side of Newbridge Road between Governor Macquarie Drive and Nuwarra Road, Chipping Norton	Liverpool City Council
Hume Highway shared user path (SUP) project involves constructing 3.0m wide concrete path. The proposed path will be on southern side of Hume Highway between Remembrance Avenue and Goulburn Street in Warwick Farm.	Liverpool City Council
Construction of new pram ramps to allow all abilities access along Day Street and Ferrier Street, Lockhart	Lockhart Shire Council
Construction of approximately 1000m of cycle way including shared pathway infrastructure to complete a 8km loop of shared pathway connecting Mudgee town centre around Walkers Oval, across the Cudgegong River through to Glen	Mid-Western Regional Council
Construction of multiple pedestrian refuges and kerb extensions for the Mudgee, Gulgong and Rylstone	Mid-Western Regional Council
Construction of kerb ramps for the Mosman area	Mosman Municipal Council
Design and start construction of stage one of the Mosman Regional Cycle Route, an on-road bike track along the north and south face of Wyong Road, Mosman from McPherson Street to Killarney Street	Mosman Municipal Council
Construction of the Kennedy Street (along the eastern side from Coreen Street to Nowranie Street Jerilderie) and Bolton Street (along the western side from Jerilderie Street to the northern entrance of Jerilderie Public School) cycleway projects	Murrumbidgee Shire Council
Construction of cycleway connecting Muswellbrook and South Muswellbrook	Muswellbrook Shire Council
Install a traffic controlled signal to provide better amenity for pedestrians across the New England Highway at Lorne Street, Muswellbrook	Muswellbrook Shire Council
Development and construction of kerb ramps and a pedestrian refuge for crossing Douglas Street on the western side of Cadell Street (Newell Highway) in Narrandera	Narrandera Shire Council
Development and construction of new kerb extension pedestrian crossing across Cadell Street on the northern side (Newell Highway) in Narrandera	Narrandera Shire Council
Construction of walking and cycle link combining sections of shared path, footpath, separated path & on-road cycle route along the north side of Ridge Street from Miller Street to the existing Share Use Bridge over the Warringah Freeway	North Sydney Council
Construct upgrades to the intersection between Albany Street and Oxley Street, Crows Nest	North Sydney Council
Construction of end of trip bicycle parking facilities consisting of bicycle parking hoops and racks with associated hard works and public bicycle work stands with tools and pumps in multiple locations across the Local Government Area	Northern Beaches Council
Construction of shared path along the northern side of Gladstone Street from Barrenjoey Road to Kalinya Street and the western side of Kalinya Street from Gladstone Street to midway along Kalinya Street in Newport	Northern Beaches Council
Design and construction of a shared user path along the west side of Allambie Road from Eaton Square to Flers Street, Allambie Heights	Northern Beaches Council
Install a pedestrian crossing and upgrade the existing splitter island on Oakes Road, Carlingford	Parramatta City Council
Construction to raise the existing pedestrian crossing on Bridge Street Epping with kerb extensions	Parramatta City Council
Convert the existing median island in Bridge Street west of Rawson Street, Epping to a pedestrian refuge island	Parramatta City Council
Construction of a cycleway connecting Carlingford and Epping including sections of shared path, mixed traffic and on-road separated bike path	Parramatta City Council
Construction of a section of the Parramatta Valley Cycleway between Silverwater Bridge and Park Road Rydalmere to improve safety and the pedestrian and cyclist experience	Parramatta City Council
Construction of Escarpment Boardwalk: an at-grade path linking the existing shared paths in Rangihou Reserve and the City foreshore at the Charles Street Weir as part of the Parramatta Valley Cycleway	Parramatta City Council
Install missing pedestrian phase and upgrade existing kerb ramps to current standards at the intersection of Park Road and Calder Road, Rydalmere	Parramatta City Council
Installing missing pedestrian leg and upgrading all kerb ramps at the corner of Pennant Hills Road and Coleman Avenue, Carlingford	Parramatta City Council
Install missing pedestrian phase and upgrade existing kerb ramps to current standards at the existing signalised intersection of Midson Road and Terry Road, Eastwood	Parramatta City Council
Realign the shared path on the south-eastern corner of the intersection and realign the crossings and associated lantern displays at the intersection of Old Windsor Road, Hart Drive and Briens Road	Parramatta City Council

Transport for NSW
2019/20 Walking and Cycling Program
Projects approved for funding

Project Description	LGA
Construct a raised pedestrian crossing on Lethbridge Street Penrith to connect Penrith High School and Penrith Primary School	Penrith City Council
Construction of a shared-use path between the southern end of the baseball fields and Andrews Road and plan and construction of a shared path along the south side of Andrews Road, between the baseball fields and The Northern Road	Penrith City Council
Construct 200m elevated boardwalk at Camden Haven	Port Macquarie-Hastings Council
Construct a shared user path and raised boardwalk from Brotherglen Drive to Sirius Drive including a mid-block pedestrian refuge as part of the Kendall to Laurieton Schools to Schools 14km shared user path	Port Macquarie-Hastings Council
Construct pedestrian refuges, kerb extensions and kerb ramps at the intersection of Lake Street and Seymour Street, Laurieton	Port Macquarie-Hastings Council
Construction of an unsignalised crossing at Hasting Street, Wauchope	Port Macquarie-Hastings Council
Construction of kerb ramps at various locations in Port Macquarie and Wauchope	Port Macquarie-Hastings Council
Construction of pedestrian facilities at the Horton Street and Hayward Street intersection and the Gordon Street & Hollingworth Street intersection	Port Macquarie-Hastings Council
Construction of pedestrian refuges at Ocean Drive at Fairwinds Ave and Ocean Drive at St Albans Way	Port Macquarie-Hastings Council
Construction of a shared user path with a total width 2.5m and total length of total length 350m along Ocean Drive.	Port Macquarie-Hastings Council
Construct a shared path along the Bruxner Highway in Casino from Centre Street to Wattle Street	Richmond Valley Council
Design and construction of a pedestrian refuge and kerb ramp on Cambewarra Road at the intersection with the Princes Highway at Bomaderry	Shoalhaven City Council
Construction of a shared user path from Deering Street to Ulladulla Lighthouse, Ulladulla	Shoalhaven City Council
Construction of an off road shared path linking St Georges Basin to Sanctuary Point	Shoalhaven City Council
Construction of kerb extensions and associated kerb ramps at the intersection of South Street and the Princes Highway, Ulladulla	Shoalhaven City Council
Design of a shared path including bridge along the northern side of The Springs Road from the current extent of the shared path network to Goonawarra Drive, Cudmirrah.	Shoalhaven City Council
Construct a new section of shared path to link existing shared paths between Bridgman Road and Bailey Close at Singleton Heights	Singleton Council
Construction of shared use cycling path along the South-Eastern side of Boundary Street from Mate Street to Albury Street, in Tumbarumba	Snowy Valleys Council
Upgrade the footpath to a shared path along Gannons Road between Captain Cook Drive and Denman Avenue, Cronulla	Sutherland Shire Council
Construct an off-road shared pathway along the eastern side of Rawson Avenue from the roundabout at the Sutherland Leisure Centre to the roundabout at the University of Wollongong Campus and a cycle lane on each side of Rawson Avenue at Loftus, Sutherland	Sutherland Shire Council
Construction of a shared user path along Ebsworth Street, Armidale Road, Stewart Avenue, Gunnedah Road, the northern side of Manilla Road and Goonoo Goonoo Road	Tamworth Regional Council
Construction of cycleways that will provide highly improved connectivity across the city of Tamworth, connecting numerous major suburbs and trip attractors to the Tamworth CBD	Tamworth Regional Council
Construction of a walking path across the existing Polaris Street level crossing, Temora	Temora Shire Council
Construction of a separated path that connects Cobaki and Broadwater Village and the Piggabeen residential area to the Kennedy Drive Shared User Path. It will also connect Tweed Heads West residents with the Piggabeen Sports Complex	Tweed Shire Council
Construction of a Shared User Path connection on Overall Drive, Pottsville with a width of 2.5 m and total length of 250 m along the eastern side of Overall Drive from the existing Shared User Path, starting at Hampton Court to Dianna Court.	Tweed Shire Council
Improve amenity for pedestrians crossing the New England Highway near Kingdon Street, Scone	Upper Hunter Shire Council
Construct a shared path on Maitland Street from Park Street to East Street, Uralla	Uralla Shire Council
Construction of a shared path along Cassilis Street and Cowper Street with a width of 2.5m width and length of approximately 520m.	Warrumbungle Shire Council
Construction of a cycle path along Spring St and Denison Road, Bondi Junction	Waverley Council
Completion of a final business case for the Eastern Suburbs Cycleway	Waverley Council
Construction of Stage 3 of the Spring Street component of the Eastern Suburbs Cycleway between Newland St and	Waverley Council
Strategic and Concept designs for the Paddington Gates section of the Eastern Suburbs Cycleway	Waverley Council

Transport for NSW
2019/20 Walking and Cycling Program
Projects approved for funding

Project Description	LGA
Construct kerb ramps and a refuge on Myall Street, Dubbo	Western Plains Regional Council
Upgrade the pedestrian refuge on Herbert Street, St Leonards, near the Ella Street intersection	Willoughby City Council
Construction of a new kerb island at an existing pedestrian crossing at the intersection of Victoria Avenue and Stanley Street in Chatswood	Willoughby City Council
Upgrade of crossing facilities at the Victoria Avenue and Bertram Road T-Junction in Chatswood	Willoughby City Council
Construct a shared path connecting Tahmoor and Picton, directly linking Tahmoor CBD shopping precinct and Picton High School	Wollondilly Shire Council
Design and construction of a shared path cycleway on the western side of Ocean Street between High Street and the bus ramp entries for Edgecliff Station	Woollahra Municipal Council
2.4 kilometre shared path connecting with the existing on-road cycling facilities in Norwich Road, RoseBay and William Street, Double Bay	Woollahra Municipal Council
Install missing pedestrian marked foot crossing along north east approach of intersection of Old South Head Road, Liverpool Street and Albermarle Avenue, Rose Bay	Woollahra Municipal Council
